A Dragon's Tale

Dragons Abreast in Australia was established almost a decade ago. ACT was the second group to be established in Australia and we are very proud that the organisation has grown from strength to strength – now boasting 33 member groups across the country!

4.30 pm to 6 pm**

**cnr Hindmarsh Dr. and Ball St
WODEN - ACT, 2606**

RSVP to actlaunch@dragonsabreast.com.au

Family and work colleagues are most welcome but for catering purposes we would appreciate a response to this invitation by Saturday 1st September 2007. If you plan to stay for dinner we recommend you book with Hoggies on (02) 6162 0572 as it gets really busy and the steaks are yummy!

With very 'breast' regards.
